RE: Buy American Provision

Dear Customer,

This letter contains the information of G Lighting's compliance for American Recovery and Reinvestment Act, the ARRA.

Section 1605 of the American Recovery and Reinvestment Act (ARRA) states "None of the funds appropriated or otherwise made available by this Act may be used for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel and manufactured goods used in the project are produced in the United States".

All G Lighting Products are ARRA Eligible. The ARRA does not require individual components and raw materials that comprise a manufactured good originate in the United States. Only the final manufactured product, which will be incorporated into the public building or public work, must be assembled or manufactured into its final form in the United States. G Lighting products are manufactured and/or assembled and shipped, from our facility located in St. Louis, Missouri. We are happy to help provide any information you need to comply with the ARRA program, please contact us for further assistance.

Thank You,

Nick Gross

President
